If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and future threat to human health and the environment; generation and select the best waste management method that inted/Typed Name Transporter I Acknowledgement of Receipt of Materials inted/Typed Name The Company of the	in place to reduce the vol citicable method of treatme OR, if I am a small quantit is available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and have determined histor minimizes the imize my waste
5. Special Handling Instructions and Additional Information Profile #B11512 3. GENERATOR'S CERTIFICATION: I hereby declare that the co and are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and future threat to human health and the environment; generation and select the best waste management method that inted/Typed Name Transporter 1 Acknowledgement of Receipt of Materials inted/Typed Name Transporter 2 Acknowledgement of Receipt of Materials Transporter 2 Acknowledgement of Receipt of Materials	in place to reduce the volicitable method of treatme OR, if I am a small quantities available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and hish minimizes the imize my waste Month Day SOFI
a.—Material for disposal 5. Special Handling Instructions and Additional Information Profile#B11512 6. GENERATOR'S CERTIFICATION: I hereby declare that the co- and are classified, packed, marked, and labeled, and are in all in national government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the pra present and future threat to human health and the environment; generation and select the best waste management method that rinted/Typed Name 7. Transporter I Acknowledgement of Receipt of Materials rinted/Typed Name	in place to reduce the vol citicable method of treatme OR, if I am a small quantit is available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and I have determined which minimizes the limits my waste Month Day
6. Special Handling Instructions and Additional Information Profile#B11512 8. GENERATOR'S CERTIFICATION: I hereby declare that the coand are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and fature threat to human health and the environment; generation and select the best waste management method that instead/Typed Name Transporter 1 Acknowledgement of Receipt of Materials rinted/Typed Name 3. Transporter 2 Acknowledgement of Receipt of Materials Finted/Typed Name	in place to reduce the volicitable method of treatme OR, if I am a small quantities available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and line with the minimizes the imize my waste Month Day SAGI
6. Special Handling Instructions and Additional Information Profile#B11512 6. GENERATOR'S CERTIFICATION: I hereby declare that the co and are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and future threat to human health and the environment; generation and select the best waste management method that rinted/Typed Name 7. Transporter 1 Acknowledgement of Receipt of Materials 7. Transporter 2 Acknowledgement of Receipt of Materials 8. Transporter 2 Acknowledgement of Receipt of Materials	in place to reduce the volicitable method of treatme OR, if I am a small quantities available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and here determines within minimizes the imize my waste Month Day SOFI
6. Special Handling Instructions and Additional Information Profile#B11512 8. GENERATOR'S CERTIFICATION: I hereby declare that the coand are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and fature threat to human health and the environment; generation and select the best waste management method that instead/Typed Name Transporter 1 Acknowledgement of Receipt of Materials rinted/Typed Name 3. Transporter 2 Acknowledgement of Receipt of Materials Finted/Typed Name	in place to reduce the volicitable method of treatme OR, if I am a small quantities available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and here determines within minimizes the imize my waste Month Day SOFI
6. Special Handling Instructions and Additional Information Profile#B11512 8. GENERATOR'S CERTIFICATION: I hereby declare that the coand are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and fature threat to human health and the environment; generation and select the best waste management method that instead/Typed Name Transporter 1 Acknowledgement of Receipt of Materials rinted/Typed Name 3. Transporter 2 Acknowledgement of Receipt of Materials Finted/Typed Name	in place to reduce the volicitable method of treatme OR, if I am a small quantit is available to me and that Signature	ume and toxicity nt, storage, or o y generator, I he	c. *F	described above y according to a generated to to	#818/5	r shipping name international and here determines within minimizes the imize my waste Month Day SOFI
6. Special Handling Instructions and Additional Information Profile#B11512 8. GENERATOR'S CERTIFICATION: I hereby declare that the coand are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and fature threat to human health and the environment; generation and select the best waste management method that instead/Typed Name Transporter 1 Acknowledgement of Receipt of Materials rinted/Typed Name 3. Transporter 2 Acknowledgement of Receipt of Materials Finted/Typed Name	in place to reduce the volicitable method of treatme OR, if I am a small quantities even the second of the second of the second of the Signature Signature	ume and toxicity ni, storage, or or y generator, I hi I can afford.	c. *E	described above y according to a generated at a label a good faith el	#818/5	r shipping name international and I have determined which minimizes the imize my waste Month Day Month Day Month Day
6. Special Handling Instructions and Additional Information Profile #BL1512 6. GENERATOR'S CERTIFICATION: I hereby declare that the co and are classified, packed, marked, and labeled, and are in alliantional government regulations. If I am a large quantity generator, I certify that I have a program to be economically practicable and that I have selected the prapresent and future threat to humen health and the environment; generation and select the best waste management method that instead/Typed Name Transporter I Acknowledgement of Receipt of Materials instead/Typed Name 8. Transporter 2 Acknowledgement of Receipt of Materials instead/Typed Name 9. Discrepancy Indication Space	in place to reduce the volicitable method of treatme OR, if I am a small quantities even the second of the second of the second of the Signature Signature	ume and toxicity ni, storage, or or y generator, I hi I can afford.	c. *E	described above y according to a generated at a label a good faith el	#818/5	r shipping name international and hish minimizes the imize my waste Month Day SOFI
